Subject: Gross/C & O Realty

Sharon:

In furtherance of yesterday's conversation, this will confirm that we consent, on behalf of our clients William Gross and C & O Realty Co., to the release of a copy of their September 25, 2013 response to the USEPA request for information regarding the New Cassel/Hicksville Ground Water Contamination Superfund Site, in response to a FOIA request received by your office.

Please let me know if you require anything further in regard to this matter.

Michael

which may be a computer program. This attached computer program could

contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
